

Think Then Click

These rules help us to stay safe on the Internet - Key Stage 1 and EYFS

- We always follow the rules set by the school for the computer network and internet access.
- We use the school's computers appropriately.
- If we find or see anything we think is inappropriate we tell a responsible adult. If we see it again, we tell again.
- If we hear about somebody else being unsafe or if we think they're unsafe we tell a responsible adult.
- We write kind, polite messages, following the principle of; if we haven't got anything nice to say we don't say anything at all.
- We only message and email people we know and our parents know.
- We share our login details with 1 responsible adult in school.
- We never give out our personal information to anyone
