

BRITISH VALUES

In Church of England schools, we do not need to lose sight of our Christian distinctiveness and the Christian values which underpin what we do, in a diverse British culture. Our Christian values are those which have given rise to what are now called 'British values'. We are aware that many of these values are shared by people of good faith from many traditions. We can be confident in stating our moral and spiritual purpose: that every child matters to God. As we do this we also point towards specific Christian values which underpin our work, and which we would wish all our children and families to experience in our schools. At Woodside Church of England Primary School our core Christian values are love, hope, respect, forgiveness, challenging injustice and worship.
